

Dear colleagues,

Due to several requests, the **Deadline** for abstract submission to 22nd International Congress of Acoustics (ICA2016) is **POSTPONED to March, 15:**

<http://ica2016.org.ar/>

The International Congress on Acoustics provides the opportunity once every three years for all those around the world who are working in all areas of Acoustics to meet, discuss and exchange ideas. The technical program will include plenary and keynote lectures, invited, contributed and poster papers covering all aspects of acoustics. There will be an extensive technical exhibition highlighting the latest advances in acoustical products, such as materials, systems and equipment.

ICA 2016 is being organized by the FIA and the Argentinean Acousticians Association (AdAA), in cooperation with the Chilean Acoustical Society (SOCHA), under the endorsement of the International Commission for Acoustics and the sponsorship of the Acoustical Society of America (ASA).

Jointly, it will also be held the X Ibero-American Federation of Acoustics Congress, incorporating the XIV Argentinean Congress of Acoustics and the XXVI Meeting of the Brazilian Acoustical Society.

ICA 2016 has the official sponsorship of the *Acoustical Society of America* (ASA), of the *International Union of Pure and Applied Physics* (IUPAP), and the National Council of Acoustical Consultants (NCAC).

Call for Papers

Papers related to all technical areas are especially welcome for presentation at the ICA 2016 Congress, but technical papers in all areas of acoustics may be submitted for inclusion in the technical program. The official language of the International Congress on Acoustics is English.

Optional peer review of contributed papers will be available as an option selected by the author. Abstracts will be submitted using the online application present at the congress page. As with all ICA congresses, ICA 2016 will feature Proceedings. All technical presentations will have a corresponding proceedings manuscript.
