
Dear colleagues as you know the next Forum Acusticum will be held 25-29 June 2017 in Boston:

<http://acousticalsociety.org/content/acoustics-17-boston>

As usual the success of the conference depends on that we all try to contribute. This time when it is done in co-operation with our ASA colleagues it is extra inspiring to participate and show the best and most interesting work we do in Europe. So please have a look on the conference web and start your planning for this event.

The cost for attending will be as follows:

Category	Preregistration	Onsite Registration
Full Registration	\$575	\$675
Student Registration	\$50	\$150
ASA or EAA Emeritus Members (Emeritus status pre-approved by ASA or EAA)	\$150	\$200
Accompanying Persons	\$150	\$200

We hope to see you in Boston
